WAESOL Educator is the biannual, professional, peer-reviewed, online journal of the Washington Association for the Education of Speakers of Other Languages (WAESOL) organization. *WAESOL Educator* publishes articles concerning the teaching of language in elementary and secondary education, higher education, adult education, and bilingual education, as well as teacher preparation for pre-service and in-service teachers.

The two main goals of *WAESOL Educator* are

- to share information related to language teaching practices, materials, research, and professional development opportunities;
- to support and mentor potential authors who teach, conduct research, administer programs, and/or study in classrooms with multilingual learners.

All manuscripts receive a double-blind review.
