

GRANTS & AWARDS: APPLICATIONS

Apply Now for WAESOL Scholarships, Grants, and Awards

Apply for a grant or nominate a colleague

Did you know that WAESOL will distribute **\$2,500 in grants and awards** this year? WAESOL will also offer **ten scholarships** to attend this year's WAESOL Online Conference, *Exploring New Horizons*, Saturday, October 23, 2021.

The application for a WAESOL grant, award, or scholarship is relatively small in relation to the impact it can make. It takes 500 words or fewer to apply. This is the equivalent of two short paragraphs. A 500-word grant application could spark a meaningful project; an application for a scholarship could create a new professional opportunity. An award nomination could give back to someone whose generosity and dedication has impacted countless others.

Apply* for...

- a Professional Development Grant (\$500)
- one of two WAESOL Project Funding Grants (up to \$500)
- a 2021 WAESOL Conference Scholarship

Nominate* a colleague for...

- the Sally Wellman Excellence in Teaching Award (\$500)
- the Outstanding Volunteer Award (\$500)

*To be eligible to submit a nomination or submit an application for a grant or scholarship, you need to be a current member of WAESOL. To become a member or renew your membership, visit the [Membership](#) page of the WAESOL website.

Read about the 2020 award winners on the [Grants and Awards](#) page of the WAESOL website.

Application deadline: September 20, 2021

Winners will be notified by October 1.

“The time has come to recognize and support outstanding work in our profession. How can we do this? With small actions that bring goodness into focus. We can nominate colleagues who brighten a place because of their excellence as educators or their willingness to volunteer. We can apply for grants to fund projects that bring energy to those around us.”
